

SATURDAY'S SEMINARS

11:00am-Design Elements for Your Log or Timber Frame Home-

When choosing design elements for your home, you will learn how they can affect the overall cost. Scott Auhmiller, Rustic Log & Timber

11:30am- Planning Your Timber Frame Home (separating facts from fiction)-

Understanding what it takes to plan and build your timber frame home.

Johnny Miller, Oakbridge Timber Framing

12:30pm- Log Home Basics 101-

Learn the basics about log types and log packages as they apply to the log home building process.

Dan Reeves, Hochstetler Log Homes

1:30pm- Construction Financing 101-

Whether you're looking to build this year or in 5 years, and if you are financing your new home, now is the time to start planning. We will dive into how a construction loan works and what your lender needs to get you pointed in the right direction.

Presented by a Rural 1st Loan Officer

2:00pm- The Path To Planning and Building a Timber Frame Home-

Designing and building a home utilizing timbers and SIP panels.

Dave Marcum, Timbercraft

3:00pm- Log Home Care & Maintenance-

Learn what it takes to care for and maintain your log home.

Wayne Bell, Log Home Care

3:30pm-The Log Home Planning Lifecycle-

A 1-year timeframe of the process from planning to building your log home; from the early stages of concept, choosing a company and builder, home design right through to the day of the delivery of your log home package.

Meredith Dunn, Big Twig Homes/Katahdin Cedar Log Homes

4:30pm- Panel Discussion with Industry Pros-

An interactive panel discussion and Q&A with industry professionals covering the topics you need to know and answering your questions. Topics can include: design and budgets, floor plan design, finding a builder etc.
