Special Event Sales Tax Information for Colorado

Special Event License Requirements

Anyone making retail sales at one or more special sales events must [obtain a special event license](#), unless the event organizer has obtained a license to collect tax on behalf of sellers participating in the event. A special sales event is an event where retail sales are made by more than three sellers at a location other than their normal business location(s) and that occurs no more than three times in any calendar year.

Retailers need to have a special event license when selling their products at a special event at another location. Special event licenses apply only to retail sales made at the special sales event by the seller to whom the license is issued. The license does not apply to sales made at the seller's regular business location or at any other location.

- Please pay **CAREFUL** attention to move-in/out times. Your cooperation and patience are always appreciated.
- Please bring your own Carts: due to theft/liability carts are at a premium if at all available
- Please read and understand the move-in/out times and guidelines listed in the Essential Information and Rules and Regulations that are attached.

Special Event Sales Tax Information

About Special Event Sales Tax

A special event is a retail sales event located outside of a business' physical location. Examples include, but are not limited to craft fairs, art walks, festivals, holiday markets, and antique shows.

All sellers participating in the event must collect the applicable state and state-administered local sales taxes due and remit the sales tax collected to the Department.

Sellers at special events will need to obtain a [special event license](#) from the Department prior to the event. Additionally, there may be local sales tax requirements for the event. Be sure to contact the event organizer and/or the local government prior to the event for more information.

After the event, sellers should file a special event sales tax return by the 20th of the month following the first day of the special event, if they have not remitted sales tax to the event organizer. For example, if an event was held from February 13-15, the special event sales tax return will be due on or before March 20th. More information about filing a return can be found on the "How to File a Special Event Return" section below.

The only exception to the special event license requirement is if the event is held more than three times per calendar year in a single location. In that case, your business would need a Retail Sales Tax License.

Estes Park Call for Seminars and Demonstrations

Now offering both ½ hour and 1-hour presentations.

We're getting ready for a great expo in **Estes Park** and need to fill our seminar **AND** demonstration slots.

SEMINARS: As you know this is an opportunity to get in front of these people and leave an impression that says 'these people know their stuff', **what it is not is a sales pitch**...we are looking for informational, diverse, and well put together "neutral" presentations. We will provide an LCD projector; you provide the presentation and handouts if applicable.

We are looking for presentations that encourage thought and feedback, you need not be a professional speaker, but one who is knowledgeable in their chosen field. Ideas of some topics we are looking for include: designing your log/timber frame, financing, selecting a company, understanding the log/timber frame package, finish and maintenance, heating systems, foundations, construction, interior design, the process, etc. and any other ideas you may have.

DEMONSTRATIONS: We're looking for demos on all products like: log stacking, building an insulated log wall, timber frame joinery, making furniture, maintenance (application techniques) etc. Like the seminars, this is an opportunity to get in front of these people and leave an impression that says 'these people know their stuff', what it is not is a sales pitch...we are looking for informational, diverse, and well put together "neutral" demonstrations.

There is also the chance that you may be asked to do multiple presentations per day- there will be a box below to check if you are ok with that. Please fill out the information below and provide an outline of your presentation if possible. Thank you for participating in this very important part of the Expo:

The following show rules and regulations are supplemental to and are incorporated by reference in the **Exhibit Space Reservation and Contract** between Solid Wood Promotions LLC (SWP), and your company as exhibitor, and govern the use of the exhibit space contracted for as if they had been fully set forth in the Exhibit Space Reservation and Contract.

In reading these rules and regulations, “we” and “us” refers to Solid Wood Promotions LLC (SWP) and authorities of the show facility (Convention Center), and Federal governments as appropriate. “You” means your company and its authorized representatives and personnel. Where a specific entity or governmental body is required, we will identify them by name.

Responsibility

It is your responsibility to be fully familiar with these show rules and regulations and to see that each member of your company attending the show is also familiar with these regulations. We recommend that you distribute copies to all those who will be present for the show.

Contract for Space

Our acceptance of your order for a booth, assignment of exhibit space to you, and the full payment of rental charges, requires that you complete a contract for rental of space assigned, or our *Exhibit Space Reservation and Contract*. If you fail to occupy your exhibit space you still have the obligation of paying the full rental price. Space may be denied at any point for supplying false information.

Payment for Space

Full payment for the contracted booth space must be received prior to the setup of your exhibit booth. Pre-Payment of all shows is REQUIRED per your contract. We reserve the right to cancel your booth space reservation if the full amount of the booth space has not been received 30 days prior to the show.

Please send ALL booth payments to:

Solid Wood Promotions LLC
6 Loren Drive
Queensbury, NY 12804.

Please include the show name and location, as well as company name, booth number and order number with all payments. Checks should be made out to SWP.

Exhibitor Cancellation

In the event an exhibitor cancels all or part of the exhibit space contracted for, the exhibitor must do so in writing and will be obligated to pay SWP fees based on the following schedule:

If Canceled:	Exhibit Space Rental Due:
Prior to 60 days	10%
60-30 days out	50%
30 days out	100%

Assignment of Exhibit Space

We reserve the right to make final space reassignments after your application is accepted should it be necessary in the best interest of the show, as determined solely by us. No space will be assigned without payment (non-refundable 10% deposit). You have the right to a full refund if our reassignment is not acceptable to you.

Occupancy of Space Deadline

All exhibits must be completed and ready for inspection by show management and the fire marshal 2 hours prior to start of show. At this time, any display violations will be noted and reported to the exhibitor. Failure to correct any violations by the time the show opens to the public will result in a fine.

Show Management reserves the right to rent or fill any exhibit space that has not been occupied by the start of the show on the first day, or at any time thereafter.

Exhibit materials may only be hand-carried to booth during move-in, on show opening day.

Driving Onto the Floor-

Vehicles should off-load at loading docks when possible. Vehicles permitted to drive on floor must be attended at all times and removed immediately after unloading. No vehicles are permitted on any hall carpet; there is a \$500 fine for driving on any part of the carpet.

Unless otherwise specified, vehicles must be removed from the facility by the close of move-in time on Friday. **NO drive-on the floor access allowed on Saturday.**

Final closing time is on Sunday. No dismantling or packing may begin prior to closing time. There is a \$100 fine for tearing down early. Please refer to the Show Information guidelines included in this exhibitor kit, or our website for specific move-out times.

Exhibitor Badges

Exhibitor badges for the expo will be available on-site for you and your employees. Forms for badges are included in this service kit. All persons working in your booth will, in effect, be your employees during the length of the show and you are fully responsible for any liability that may occur.

We will not be held responsible for any loss or damage, however incurred. You must carry your own fire insurance and public liability insurance of not less than one million dollars.

Neither SWP nor the Exhibit Facility, shall be liable to exhibitor, its agents, employees, contractors, patrons, guests, licensees or to any other person whomsoever for any injury or damage to person or property caused by or arising out of any act, omission or neglect of exhibitor, its agents, contractors, employees, patrons, guests, licensees, invitees or any person entering the Convention Center, under express or implied invitation by exhibitor, or for any damage to the person or property of third parties arising out or user of either the licensed booth space or the building area in which such booth is located; and exhibitor hereby agrees to indemnify and hold SWP and/or the Convention Center and their agents, servants and employees free and harmless from and against any loss, including reasonable counsel fees, arising out of any liability incurred in accordance with the foregoing. The exhibitor assumes the entire

responsibility and liability for losses, damages and claims deriving out of injury or damage to exhibitor's displays, equipment and other property brought upon the premises of the Convention Center and shall indemnify and hold harmless the Convention Center, SWP and their agents, servants and employees from any such losses, damages and claims inclusive of reasonable counsel fees. No signs or other articles are to be fastened to walls or fixtures or electrical equipment. Use of thumbtacks, screws, bolts or any tool or material which may mark the floor or wall is prohibited. Exhibitors are also responsible to comply with all rules and regulations contained in the Exhibitor Service Manual.

Space Restrictions

Your exhibit must be confined to the exact space allocated. Circulars, brochures, publications, advertising matter and all kinds of promotional giveaways may be distributed only within your booth space. Nothing can be posted on, tacked, nailed, screwed in, taped or otherwise attached to columns, walls, ceilings, floors, electrical outlets or other parts of the building or furniture. Signs, rails, logs or roof over hangs, etc. will not be permitted to intrude into or over aisles or other booth space. You will be liable for any damage caused to floors (including carpeting), walls or columns, or standard booth equipment or to other exhibitor's property.

Character of Exhibits

Each exhibit shall be in keeping with the general nature of the show. SWP shall be entitled to limit or require change in any exhibit that interferes with other exhibitors or general movement, is either excessively noisy or carnival-like in presentation or does not conform to the regulations herein or to any agency having jurisdiction at the convention site. All exhibitor activities shall be conducted solely within licensed space, and use of all aisle space and other public areas of the show are reserved to SWP. Canvassing, solicitation of business or the use of advertising materials or signs by firms other than those who have contracted for space is prohibited. Distribution by the exhibitor of circulars, catalogs or other advertising materials for firms that are not exhibitors is prohibited. Failure to adhere to these rules will result in a fine.

If the reverse side of your exhibit's back wall, side wall, riser or display is exposed to view, that part of your display must be suitably draped so that no part of the display construction, electrical wiring, or the like, can be

seen from the aisles or adjoining booths belonging to other exhibitors.

Height limitations and other restrictions pertaining to the design of exhibits and use in the booth of pedestals, tables, racks, shelves, risers and similar display equipment are described in detail under "Types of Exhibits" and "Special Provisions."

If your display is built beyond the limitations and restriction as set forth in this contract, we reserve the right to correct such display violations by having you alter, remove or rearrange any or all of the display so that it will comply with regulations. If you are not available to make those corrections, then you agree as part of this contract to give us authority to make any and all necessary corrections at your expense.

Load Limitations

Any piece of exhibit material weighing in excess of 2,000 pounds shall be accompanied by a certified weight-master's ticket stating accurately the total weight of such individual piece and its container, if any. Failure to provide the weight-master's certificate when requested may result in the facility's refusal to permit the shipment on its premises, elevators or lifts.

Types of Exhibits & Exhibit Restrictions

Booth Definition: The price per booth includes booth space that is 10' wide and 10' deep with an 8' high-draped background and 3' high-draped sidewalls. Pipe and drapery will be supplied automatically for in-line booths unless you request not to have it. Pipe and drapery will not be provided for island booths. 8' high sidewalls may not extend further than 5' from the back of the booth space. Note: If located on the show floor perimeter, an aisle booth may go to 10' height. Requests for exceptions to these requirements *must* be submitted to the Events Manager no less than 45 days prior to the expo.

Island Booth

An island booth is any size booth exposed to aisles on all four sides. The entire cubic content of the space may be used up to the maximum allowable height. Pipe and drapery will not be provided for island booths.

End-cap Booth

Booth dimensions are 10' deep by 20' wide. The maximum backwall height of 8' is allowed only in the rear half of the booth space and within 5' of the two side aisles (10' long backwall) with a 4' height restriction imposed on all materials in the space forward to the aisle. (See diagram)

Peninsula/Split Island Booth

Booth dimensions are generally 20' x 20' or larger. When a Peninsula Booth backs up to two Linear Booths, the backwall is restricted to 4' high within 5' of each aisle. The center (10' wide) of the backwall height is based on maximum allowable height.

When a Peninsula Booth shares a common backwall with another Peninsula Booth (**Split Island Booth**), the entire cubic content may be used, up to the maximum allowable height, without any backwall line of sight restrictions.

Special Provisions

Pedestals, tables, racks, shelves, risers and similar display equipment may not exceed 4 feet (48") in height when positioned more than 5' from the back wall of a single aisle booth.

Free standing units, including those intended to be the focal point in an exhibit, may not exceed 4 feet (48") in height when placed more than 5' from the back wall of the booth unless the same company occupies 8' of booth space on both sides of the unit or units. The maximum dimensions for such items under these conditions are 8'h x 32"w x 32"d.

Use of Exhibit Space

Where you plan to construct any part of your exhibit above the exhibit height limitation (25' island, 8' in-line), or any variance from these rules and regulations, you must obtain approval in writing from the Events Manager at least six weeks prior to the official opening of the exhibits. Submit a sketch of your proposed construction when requesting approval.

All signs including graphics, photographs and other advertising matter in connection with your booth space must be located within the boundaries of your assigned booth. No signs of any type are permitted outside of your assigned exhibit space (columns, walls, floors, ceilings) without approval in writing from show management. This restriction also applies to any device used to project a company name or logo on the ceilings

or walls of the Convention Center or otherwise beyond the permitted height or sides of the booth itself.

You must obtain written permission from Show Management if you plan continuous operation of any flashing light device, floodlight, laser light, LED or computerized digital sign which may impact on your neighboring exhibitors. Showing of projected pictures (motion pictures, slides, transparencies, opaque materials, etc.) will only be permitted within the confines of your booth.

You will be expected to keep the sound at reasonable volume, approximately that of a normal speaking voice, in order to avoid disturbing other exhibitors when operating sound reproduction equipment. We reserve the right to turn off the electric supply of any exhibitor who violates this rule.

You may distribute food or beverages from your booth, provided (a) you purchase the food or beverage only from the approved show caterer and (b) you provide trash receptacles and periodically clear trash in the vicinity of your booth generated as a result. No alcoholic beverages of any kind may be distributed from your booth. You are not permitted to cook food in your booth. We have the right to terminate distribution of food from your booth in the event your activity disturbs or infringes another exhibitor in any manner. Any surveys, questionnaires or promotion must take place within your assigned booth space.

No person shall carry or transport into the premises any beer or other alcoholic beverages except for delivery to the licensed retailer or same, located on the premises. All concessions, including but not limited to tobacco, food products, drinks, checkrooms, programs and novelties, are and shall remain the exclusive rights of the Convention Center. If any food or drinks are to be served by exhibitor, these items must be purchased from the official caterer.

Absolutely no alcoholic beverages may be consumed on the show floor or in your booth at any time, including move-in and move-out, unless it is purchased from the official caterer. If you are found to be in violation of this rule, you will be asked to leave the show and will not be permitted to tear-down your booth display until after the show has closed on Sunday at 4:00pm.

Copyrights, Royalties and Trademarks

You warrant that no music, literary or artistic work or other property protected by copyright will be performed, reproduced or used, nor will the name of any entity protected by trademark be reproduced or used during your use of the contracted space unless you have obtained written permission of the copyright or trademark holder (including payment of any and all

Miscellaneous Regulations

We reserve the right to determine the eligibility of any company to exhibit. We reserve sole control over admission policies.

These regulations are established for the mutual protection of all. We reserve the right to make such changes in the time schedule or in general plan of the

The display and operation of any cooking or heat-producing appliances, pyrotechnics, use or storage of flammable liquids, compressed gases or any other process deemed hazardous by the state fire marshal's representative must have advance approval by the state fire marshal's representative. Any motor vehicles, gasoline-powered equipment, tools, etc. on display shall have their batteries disconnected. All fuel tanks that are not equipped with locking gas caps shall have the gas caps sealed with tape. All such fuel tanks shall be less than one-fourth full.

Decorations and displays shall not block or impede access to fire protection equipment (sprinklers, exit markings, exit doors or emergency lighting equipment).

During occupancy hours, aisles and exit doors shall be maintained free of all obstructions and unlocked for immediate use in the event of an emergency.

All electrical devices and installations shall be in accordance with the applicable provisions of the National Electrical Code. All devices must be listed by Underwriters Laboratories. Any electrical extension cords used shall be of the heavy-duty type. Lightweight cords of the lamp cord variety are prohibited and are subject to confiscation.
