THE LOG & TIMBER HOME DESIGN-BUILD EXPO

About the Log & Timber Home Design-Build EXPO

Since 2005, the Log & Timber Home Design-Build EXPO has been the premier consumer event dedicated exclusively to the log and timber frame industry. Our mission is simple: connect motivated, highly qualified buyers with trusted companies who can help them build, furnish, and maintain their dream log or timber frame home. It's a proven marketplace where serious buyers meet the businesses that bring their vision to life.
